**(download our newsletters and brochures, see photos)**

**Our Mission**

Russia Inland Mission is a mission society dedicated to the spiritual awakening of the people of the former Soviet Union.

Shelter the Children International cares for over a hundred children in East Europe who are neglected by their parents due to alcoholism and effects of poverty.

We work in closed and difficult countries under the most extreme and harsh conditions.

Our goal is to teach the Gospel and make disciples who we help plant new testament Churches. See our web site for doctrine.
